FOR IMMEDIATE RELEASE

World Gym Taiwan Posts 14.3% YoY Revenue Growth in October; Global Network Hits 280 Clubs

Membership revenue surges over 16% YoY despite three holidays; new Hsinchu mega-gym set to accelerate momentum

Taichung, Taiwan – November 10, 2025 – World Gym Corp. (2762.TW), the largest fitness operator in Taiwan and master franchisee of the global World Gym brand, today reported October 2025 consolidated revenue of NT\$950 million (USD 30.6 million), up 14.3% YoY from October 2024. This growth outpaced Q3's 14.1% YoY increase despite three public holidays in October that typically slow gym attendance.

Membership revenue powered ahead with a 16.4% YoY gain, while personal-training revenue growth moderated slightly due to the holiday calendar. Year-to-date consolidated revenue reached NT\$9 billion (USD 290.3 million), up 11.7% YTD, keeping the company on track to comfortably surpass NT\$10 billion for the full year.

World Gym Taiwan now operates 139 locations nationwide, with three new clubs launched in the high-tech city of Hsinchu since April. The flagship Hsinchu Zhubei Huaxing mega-gym—a 1,500-ping (53,000 sq ft) facility featuring an indoor swimming pool, Kid's World, steam/sauna/jacuzzi zones, and expansive workout areas—secured over 3,600 pre-sale members and begins contributing revenue in November. Pre-sales for the upcoming Hsinchu Xiangshan club are also generating strong local demand.

Globally, the World Gym network has crossed a major milestone: 280 clubs worldwide for the first time. Recent openings include new single-unit franchises in New Jersey, USA and Giza, Egypt, plus two additional locations in Brazil, reinforcing the brand's international footprint.

"October's 14.3% growth—achieved against three holidays and still ahead of Q3's pace—highlights the durability of our membership model," said John Caraccio, Chairman and President of World Gym. "Reaching 280 global clubs while membership revenue climbs over 16% and cost efficiencies take hold confirms we are accelerating profitability without compromising the member experience that defines World Gym."
