## **World Gym Corporation (2762.TW) Announces Record-High May Revenue of NT\$996 Million (USD 31.6 million)**

**【June 9, 2026】** World Gym Corporation (2762.TW), Taiwan’s largest fitness operator and owner of the global World Gym brand, today announced that its consolidated revenue for May 2026 reached \$996 million (US\$31.6 million). This represents a 2.58% increase from the previous month and a 7.26% growth compared to the same period last year, setting a new record for monthly revenue.

Compared to April, World Gym’s primary growth momentum was driven by personal training service revenues which grew significantly month-over-month. For the first five months of this year, accumulated revenue reached NT\$4.78 billion (US\$152 million), representing an annual increase of 9.15%. Membership revenue remained the core driver, with an annual growth rate close to 12 %.

Regarding operational expansion, World Gym launched pre-sales for its Taipei Shilin and Taipei Xizhi Science Park locations in May. Together with the Tainan Zhonghua East, Miaoli Zhongzheng, and Neihu Xingyun locations—which began pre-sales earlier—these five new clubs are expected to serve as a significant growth driver for World Gym in the second half of the year.

Furthermore, World Gym recently announced a strategic partnership with the global fitness racing leader, HYROX. Through the introduction of dedicated HYROX functional training zones across its clubs, as well as the launch of HYROX training camps and specialized courses, the company anticipates attracting new members and driving growth in personal training revenue.

Note: Based on a USD/TWD exchange rate of 31.51.
